MIGHT-METEOR dengan kerjasama JobsMalaysia.gov.my

MIGHT-METEOR Advanced Manufacturing Sdn. Bhd. was established in February 2002 as a joint venture company between Malaysian Industry-Government Group for High Technology (MIGHT) and Multimedia Technology Enhancement Operations Sdn Bhd (METEOR). METEOR is a consortium of 11 public universities in Malaysia.

Advanced Manufacturing Institute (AMI) is a recognised knowledge centre established within the organisation of MIGHT (Malaysian Industry-Government for High Technology) and under the purview of Office Advisor, Prime Department and METEOR Technologies Sdn. Bhd.

MIGHT-METEOR focus is to cater for Human Capital Enhancement services and Life Long Learning particularly in the manufacturing sector.

“TeSSDE (Technology Specialist In Specific Domain Expertise TeSSDE) Program”. Program ini dijalankan atas kerjasama Industri - EPU - Universiti untuk melahirkan jurutera mahir dalam semua bidang kejuruteraan yang ditawarkan.

Tujuan:

- Melahirkan jurutera yang terlatih serta mahir dalam industri-industri tertentu di Malaysia.
- Melahirkan graduan-graduan baru Malaysia menjadi jurutera mahir dalam bidang tertentu.
- Membantu meningkatkan pengetahuan dan kemahiran dalam membantu Malaysia mencapai tahap pekerja berpendapatan tinggi pada 2020.
